STD 5 - YEAR 2016

District Officer

Tarmac road **⊁**Grassland Chief's camp 323 Forest

- 1. Which is the mouth of R. Nyamaroka?
 - A. forest B. bridge C. swamp D. coffee
- 2. The presence of grassland to the North west shows the area is
 - B. high land A. Rift valley D. low land C. wet place
- 3. The main religion of people in Lwanda area is
 - B. paganism A. Hinduism C. Christainity D. Islam
- 4. Lwanda area is administered by
 - B. chief A. D.O D. D.C C. police
- 5. What is the direction of the swamp from the church?
 - B. south west A. North D. north east C. west
- 6. The railway line on the map is likely to transport
 - B. coffee A. maize D. stones C. pupils
- 7. A part from coffee which other crop can be grown to south west of the map

- B. millet A. sugarcane D. beans C. tea 8. The country that borders Kenya to the north west
- B. Uganda A. Tanzania D. Somalia
- C. Sudan 9. A good map should have the fathering except
 - B. key A. shape D. title C. frame
- 10. The most easterly point in Kenya ia about B. 34°E
 - A. 450 N D. 34°W C. 42°E
- 11. Which of the following type of soils is called young. soil?
 - B. black cotton A. loamy C. alluvia D. volcanic
- 12. Lines that run from North to south on a map are _
 - B. parallel A. Altitute D. longtitudes C. latitude
- 13. Chicken kept for eggs are called B. layers A. broilers D. hatcheries C. chicks

14. Which of the following factors does not affect	25. The diagram above showsrainfall
climate?	A. block B. cyclonic
A. longitude B. altitude	C. relief D. convectional
C. latitude D. wind	26. Which one is odd one out
15. Grassland vegetation which is made up of grass	A. iteso B. maasai
with few trees is known as	C.Luo D. Turkana
A. Bush land B. savannah	27. Which of the following is not a form of
C. health and moorland D. scrub	communication?
16. Vegetations that grows along the river valleys are	A. T.V B. Radio
called	C. Phone D. road
A. natural B. papyrus red	28. Kenya is divided intocounties.
C. grass D. riverine	A. 8 B. 42
17. The total number of people living in a place is	C. 45 D. 47
A nigration B. people	29. A large flat area is
C. population D. settlement	A. hill B. mountain
18. Which of the following is a traditional industry?	C. plain D. forest
A. basketry B. bread making	30. Rainfall is measured in
C. pottery D. wood carving	A. milimeters B. litres
19. The maximum and minimum thermometer has two	C. centimetres D. mililitres
liquids called	31. Which of the following vegetation is commonly
A. kerosine and mercury	found in the coastal region?
B. water and alcohol	A. Maintain coastal region?
C. mercury and alcohol	A. mountain B.scrub
D. mercury and spirit	C. mangrove D. savannah
20.	32. The first prime minister in Kenya was
20.	A. Raila Odinga B. Daniel Moi
& prince	C. Jomo Kenyatta D. Mwai Kibaki
	33. Which of the following is not a relief feature?
VACATOR TO A - J AND	A. plain B. road
Water Sody =	
Water body =/ LHND	C. valley D. low land
====================================	C. valley D. low land
The diagram drawn aboves shows	C. valley D. low land 34. The hills in a plateau formed after erosion are
The diagram drawn aboves shows A. relief rainfall B. sea breezes	C. valley D. low land 34. The hills in a plateau formed after erosion are known as
The diagram drawn aboves shows A. relief rainfall B. sea breezes C. land breezes D. convectional rainfall	C. valley D. low land 34. The hills in a plateau formed after erosion are known as A. ranges B. mountains
The diagram drawn aboves shows A. relief rainfall B. sea breezes C. land breezes D. convectional rainfall 21. It occurs during the	C. valley D. low land 34. The hills in a plateau formed after erosion are known as A. ranges B. mountains C. inselbergs D. volcano mountains
The diagram drawn aboves shows A. relief rainfall B. sea breezes C. land breezes D. convectional rainfall 21. It occurs during the A. year B. day C. night D. mouth	C. valley D. low land 34. The hills in a plateau formed after erosion are known as A. ranges B. mountains C. inselbergs D. volcano mountains 35. People who were initiated together formed A clan B. age set
The diagram drawn aboves shows A. relief rainfall B. sea breezes C. land breezes D. convectional rainfall 21. It occurs during the A. year B. day C. night D. mouth 22. Which ofthe following events is found in the	C. valley D. low land 34. The hills in a plateau formed after erosion are known as A. ranges B. mountains C. inselbergs D. volcano mountains 35. People who were initiated together formed A clan B. age set
The diagram drawn aboves shows A. relief rainfall B. sea breezes C. land breezes D. convectional rainfall 21. It occurs during the A. year B. day C. night D. mouth 22. Which ofthe following events is found in the school calendar?	C. valley D. low land 34. The hills in a plateau formed after erosion are known as A. ranges B. mountains C. inselbergs D. volcano mountains 35. People who were initiated together formed A. clan B. age set C. age group D. generation
The diagram drawn aboves shows A. relief rainfall B. sea breezes C. land breezes D. convectional rainfall 21. It occurs during the A. year B. day C. night D. mouth 22. Which ofthe following events is found in the school calendar? A. planting B. drama C. birthday D. harvest	C. valley D. low land 34. The hills in a plateau formed after erosion are known as A. ranges B. mountains C. inselbergs D. volcano mountains 35. People who were initiated together formed A clan B. age set
The diagram drawn aboves shows A. relief rainfall B. sea breezes C. land breezes D. convectional rainfall 21. It occurs during the A. year B. day C. night D. mouth 22. Which ofthe following events is found in the school calendar? A. planting B. drama C. birthday D. harvest 23. The traditional medicine people use to	C. valley D. low land 34. The hills in a plateau formed after erosion are known as A. ranges B. mountains C. inselbergs D. volcano mountains 35. People who were initiated together formed A. clan B. age set C. age group D. generation 36. Imaginary lines drawn in a map from East to West are
The diagram drawn aboves shows A. relief rainfall B. sea breezes C. land breezes D. convectional rainfall 21. It occurs during the A. year B. day C. night D. mouth 22. Which ofthe following events is found in the school calendar? A. planting B. drama C. birthday D. harvest 23. The traditional medicine people use to tread sick people.	C. valley D. low land 34. The hills in a plateau formed after erosion are known as A. ranges B. mountains C. inselbergs D. volcano mountains 35. People who were initiated together formed A. clan B. age set C. age group D. generation 36. Imaginary lines drawn in a map from East to West are A. longitude B. latitudes
The diagram drawn aboves shows A. relief rainfall B. sea breezes C. land breezes D. convectional rainfall 21. It occurs during the A. year B. day C. night D. mouth 22. Which ofthe following events is found in the school calendar? A. planting B. drama C. birthday D. harvest 23. The traditional medicine people use to tread sick people. A. tablets B. herbs C. pills D. injections	C. valley D. low land 34. The hills in a plateau formed after erosion are known as A. ranges B. mountains C. inselbergs D. volcano mountains 35. People who were initiated together formed A. clan B. age set C. age group D. generation 36. Imaginary lines drawn in a map from East to West are A. longitude B. latitudes C. altitudes D. guidelines
The diagram drawn aboves shows A. relief rainfall B. sea breezes C. land breezes D. convectional rainfall 21. It occurs during the A. year B. day C. night D. mouth 22. Which ofthe following events is found in the school calendar? A. planting B. drama C. birthday D. harvest 23. The traditional medicine people use to tread sick people.	C. valley D. low land 34. The hills in a plateau formed after erosion are known as A. ranges B. mountains C. inselbergs D. volcano mountains 35. People who were initiated together formed A. clan B. age set C. age group D. generation 36. Imaginary lines drawn in a map from East to West are A. longitude B. latitudes C. altitudes D. guidelines 37. General name given to rivers, lakes, streams and
The diagram drawn aboves shows A. relief rainfall B. sea breezes C. land breezes D. convectional rainfall 21. It occurs during the A. year B. day C. night D. mouth 22. Which ofthe following events is found in the school calendar? A. planting B. drama C. birthday D. harvest 23. The traditional medicine people use to tread sick people. A. tablets B. herbs C. pills D. injections	C. valley D. low land 34. The hills in a plateau formed after erosion are known as A. ranges B. mountains C. inselbergs D. volcano mountains 35. People who were initiated together formed A. clan B. age set C. age group D. generation 36. Imaginary lines drawn in a map from East to West are A. longitude B. latitudes C. altitudes D. guidelines 37. General name given to rivers, lakes, streams and swamps is
The diagram drawn aboves shows A. relief rainfall B. sea breezes C. land breezes D. convectional rainfall 21. It occurs during the A. year B. day C. night D. mouth 22. Which ofthe following events is found in the school calendar? A. planting B. drama C. birthday D. harvest 23. The traditional medicine people use to tread sick people. A. tablets B. herbs C. pills D. injections	C. valley D. low land 34. The hills in a plateau formed after erosion are known as A. ranges B. mountains C. inselbergs D. volcano mountains 35. People who were initiated together formed A. clan B. age set C. age group D. generation 36. Imaginary lines drawn in a map from East to West are A. longitude B. latitudes C. altitudes D. guidelines 37. General name given to rivers, lakes, streams and swamps is A. valleys B. oceans
The diagram drawn aboves shows A. relief rainfall B. sea breezes C. land breezes D. convectional rainfall 21. It occurs during the A. year B. day C. night D. mouth 22. Which ofthe following events is found in the school calendar? A. planting B. drama C. birthday D. harvest 23. The traditional medicine people use to tread sick people. A. tablets B. herbs C. pills D. injections	C. valley D. low land 34. The hills in a plateau formed after erosion are known as A. ranges B. mountains C. inselbergs D. volcano mountains 35. People who were initiated together formed A. clan B. age set C. age group D. generation 36. Imaginary lines drawn in a map from East to West are A. longitude B. latitudes C. altitudes D. guidelines 37. General name given to rivers, lakes, streams and swamps is A. valleys B. oceans C. drainage system D. drainage
The diagram drawn aboves shows A. relief rainfall B. sea breezes C. land breezes D. convectional rainfall 21. It occurs during the A. year B. day C. night D. mouth 22. Which ofthe following events is found in the school calendar? A. planting B. drama C. birthday D. harvest 23. The traditional medicine people use to tread sick people. A. tablets B. herbs C. pills D. injections	C. valley D. low land 34. The hills in a plateau formed after erosion are known as A. ranges B. mountains C. inselbergs D. volcano mountains 35. People who were initiated together formed A. clan B. age set C. age group D. generation 36. Imaginary lines drawn in a map from East to West are A. longitude B. latitudes C. altitudes D. guidelines 37. General name given to rivers, lakes, streams and swamps is A. valleys B. oceans C. drainage system D. drainage 38. What is altitude?
The diagram drawn aboves shows A. relief rainfall B. sea breezes C. land breezes D. convectional rainfall 21. It occurs during the A. year B. day C. night D. mouth 22. Which ofthe following events is found in the school calendar? A. planting B. drama C. birthday D. harvest 23. The traditional medicine people use to tread sick people. A. tablets B. herbs C. pills D. injections	C. valley D. low land 34. The hills in a plateau formed after erosion are known as A. ranges B. mountains C. inselbergs D. volcano mountains 35. People who were initiated together formed A. clan B. age set C. age group D. generation 36. Imaginary lines drawn in a map from East to West are A. longitude B. latitudes C. altitudes D. guidelines 37. General name given to rivers, lakes, streams and swamps is A. valleys B. oceans C. drainage system D. drainage 38. What is altitude? A. imaginary line on map from North to South
The diagram drawn aboves shows A. relief rainfall B. sea breezes C. land breezes D. convectional rainfall 21. It occurs during the A. year B. day C. night D. mouth 22. Which ofthe following events is found in the school calendar? A. planting B. drama C. birthday D. harvest 23. The traditional medicine people use to tread sick people. A. tablets B. herbs C. pills D. injections	C. valley D. low land 34. The hills in a plateau formed after erosion are known as A. ranges B. mountains C. inselbergs D. volcano mountains 35. People who were initiated together formed A. clan B. age set C. age group D. generation 36. Imaginary lines drawn in a map from East to West are A. longitude B. latitudes C. altitudes D. guidelines 37. General name given to rivers, lakes, streams and swamps is A. valleys B. oceans C. drainage system D. drainage 38. What is altitude? A. imaginary line on map from North to South B. distance from the equator
The diagram drawn aboves shows A. relief rainfall B. sea breezes C. land breezes D. convectional rainfall 21. It occurs during the A. year B. day C. night D. mouth 22. Which ofthe following events is found in the school calendar? A. planting B. drama C. birthday D. harvest 23. The traditional medicine people use to tread sick people. A. tablets B. herbs C. pills D. injections	C. valley D. low land 34. The hills in a plateau formed after erosion are known as A. ranges B. mountains C. inselbergs D. volcano mountains S. People who were initiated together formed A. clan B. age set C. age group D. generation 36. Imaginary lines drawn in a map from East to West are A. longitude B. latitudes C. altitudes D. guidelines 37. General name given to rivers, lakes, streams and swamps is A. valleys B. oceans C. drainage system D. drainage 38. What is altitude? A. imaginary line on map from North to South B. distance from the equator C. imaginary line on map from east to west
The diagram drawn aboves shows A. relief rainfall B. sea breezes C. land breezes D. convectional rainfall 21. It occurs during the A. year B. day C. night D. mouth 22. Which ofthe following events is found in the school calendar? A. planting B. drama C. birthday D. harvest 23. The traditional medicine people use to tread sick people. A. tablets B. herbs C. pills D. injections Use the diagram below to answer questions 24 - 25	C. valley D. low land 34. The hills in a plateau formed after erosion are known as A. ranges B. mountains C. inselbergs D. volcano mountains S. People who were initiated together formed A. clan B. age set C. age group D. generation 36. Imaginary lines drawn in a map from East to West are A. longitude B. latitudes C. altitudes D. guidelines 37. General name given to rivers, lakes, streams and swamps is A. valleys B. oceans C. drainage system D. drainage 38. What is altitude? A. imaginary line on map from North to South B. distance from the equator C. imaginary line on map from east to west D. distance from the sea level
The diagram drawn aboves shows A. relief rainfall B. sea breezes C. land breezes D. convectional rainfall 21. It occurs during the A. year B. day C. night D. mouth 22. Which ofthe following events is found in the school calendar? A. planting B. drama C. birthday D. harvest 23. The traditional medicine people use to tread sick people. A. tablets B. herbs C. pills D. injections Use the diagram below to answer questions 24 - 25	C. valley D. low land 34. The hills in a plateau formed after erosion are known as A. ranges B. mountains C. inselbergs D. volcano mountains S. People who were initiated together formed A. clan B. age set C. age group D. generation 36. Imaginary lines drawn in a map from East to West are A. longitude B. latitudes C. altitudes D. guidelines 37. General name given to rivers, lakes, streams and swamps is A. valleys B. oceans C. drainage system D. drainage 38. What is altitude? A. imaginary line on map from North to South B. distance from the equator C. imaginary line on map from east to west D. distance from the séa level 39. The current president in Kenya is
The diagram drawn aboves shows A. relief rainfall B. sea breezes C. land breezes D. convectional rainfall 21. It occurs during the A. year B. day C. night D. mouth 22. Which ofthe following events is found in the school calendar? A. planting B. drama C. birthday D. harvest 23. The traditional medicine people use to tread sick people. A. tablets B. herbs C. pills D. injections Use the diagram below to answer questions 24 - 25	C. valley D. low land 34. The hills in a plateau formed after erosion are known as A. ranges B. mountains C. inselbergs D. volcano mountains S. People who were initiated together formed A. clan B. age set C. age group D. generation 36. Imaginary lines drawn in a map from East to West are A. longitude B. latitudes C. altitudes D. guidelines 37. General name given to rivers, lakes, streams and swamps is A. valleys B. oceans C. drainage system D. drainage 38. What is altitude? A. imaginary line on map from North to South B. distance from the equator C. imaginary line on map from east to west D. distance from the sea level

	he plateau referred to as a plateau within a lateau is	A. G.S.U B. Kenya Army C. Police D. traffic police
A	. Laikipia B. Uasin gishu	54. What does the road sign drawn below show?
	. Yatta D. Nyika	A. Bump a head
	What is the source of R. Tana and its mouth?	B. Turn left
	Ngong hills and indian ocean	C. No entry
	Mt. Elgon and indian ocean Mt Kenya and Lorian swamp	D. Danger ahead 55. When is Mashujaa day celebrated?
	D. Mt Kenya and indian ocean	A. 12th Dec B. 1st June
	he map below to answer questions	C. 20th Dec D. 20th October
200 11	AS X I A STREET OF THE STREET	56. Mary's Aunt call her
		A. niece B. cousin C. mum D. nephew
	190 4	57. The weather instrument shown below measures
	F wording to the	A. speed of the wind
	A Managas a	B. air pressure
	到9.7	C. strength of the wind
1	Z m X	D. Direction of the wind
	>3 E	S modern and a management
10 77	E	58. The head of the county government is
	Which community followed the route marked E?	A Cooler D Devil 1000 A D C
	A. Bantu B. Nilotes C. Semites D. Cushites The country marked x is	A. Speaker B. President C. Senator D. Governor
