

How to check your 2021 KCPE results online

Candidates, their parents, and guardians can access the KCPE results through the Kenya National Examination Council (KNEC) website, SMS platforms, county education offices and their respective schools.

For the SMS option, the candidates should send their index number, followed by the initials KCPE (in capital letters) to **20076** in order to access the results.

The SMS platform is available for all mobile networks and will be charged **Sh25** each.

Students are also advised not to have spacing between the index number and the initials KCPE.

This year the council registered **1,225,507** candidates in **28,316** KCPE examination centers as compared to **1,191,752** candidates in **28,467** centers in 2020. This reflects an increase of **33,755** representing **2.75** per cent.
