

# GRADE 5 END TERM 3 MARCH 2022

## ENGLISH

### SECTION B

#### Task 1: COMPREHENSION I

Read the following passages and then answer the questions in the spaces provided.

Money is very important in our day to day activities. We use money in exchange with goods and services. Some goods which can be exchanged with money include foodstuffs, clothes and electronics. Some services with which money can be exchanged include transport, haircuts and tuition. Citizens must engage in income generating activities such as carpentry, farming, fishing and plumbing. The income generating activities must not be illegal, meaning, they must be activities permitted by law. As learners we must always learn to set occupational goals which will earn us some money when the right time comes.

1. According to the passage, we use money in exchange with \_\_\_\_\_ and \_\_\_\_\_
2. Name some goods with which money can be exchanged, according to the passage. \_\_\_\_\_
3. According to the passage, what are some of the services with which money can be exchanged? \_\_\_\_\_
4. The writer says that income generating activities must not be \_\_\_\_\_
5. As learners, we must learn to set \_\_\_\_\_

#### COMPREHENSION II

Town mouse visited bush mouse in the village. When he was served with food, he complained that there was only dull food in the village. He invited bush mouse to come to town where there were sausages, bread, jam, honey and cheese in garbages. Bush mouse went to town but every time they sat to eat, someone would interrupt them. Finally, bush mouse said, " I am leaving! It is dangerous here. I would rather eat my dull food in the village but in peace."
