	TOTAL	

SECTION A (25MARKS)

Answer all questions in this section

2. Give two physical changes that occurred in early human beings as they evolved from ape rereature to modern people. 2. 2 mks) 3. State two areas of study in anthropology. 4. Identify two branches of history. 5. Differentiate between archaeology and oral traditions. 6. Identify one prehistoric site in Kenya where remains of Kenyapithecus were found. 7. State two ways in which man used stone tools. 8. What is the meaning of the term Homo erectus? 9. Name the tools made by man during the first phase of the Old Stone Age. 10. State two methods of irrigation used during the development of Agriculture. 2. mks) 11. Give two theories that try to explain the origin and development of Agriculture. 2. mks) 12. Give the method that was used to plant cereal crops before Agriran Revolution. 13. Give two factors that facilitated early domestication of crops in Mesopotamia. 2. mks) 14. Name the form of writing developed in Mesopotamia during agricultural development. 15. Identify two electronic sources of information in history and government. 2. mks) 16. Identify the historical period when the oral traditions was the main source of information. 2. mks) 17. State the main disadvantage of oral traditions as a source of information. 18. (a) Give three stages of the evolution of man before Homo Erectus. 3. mks) 4. Shawer any three questions in this section 18. (a) Give three stages of the evolution of man before Homo Erectus. (b) Explain the culture of early man during the middle Stone Age period. (c) mks) 19. (a) State three ways through which archaeologists obtain information. (d) mks) 20. (a) Identify five major changes that marked Agrarian revolution in Britain. (b) Explain five benefit of early domesticated animals. 21. (a) Give three reasons why Africa is referred to as the cradle of mankind (b) Explain five benefit of the discovery of five by early man. 22. (a) Identify five features of a government. (b) Explain is ways in which food shortages affect the people in developing countries.	1	State Charles Darwins theory of evolution.	(1 mk)		
creature to modern people. 3. State two areas of study in anthropology. 4. Identify two branches of history. 5. Differentiate between archaeology and oral traditions. 6. Identify tone prehistoric site in Kenya where remains of Kenyapithecus were found. 7. State two ways in which man used stone tools. 8. What is the meaning of the term Homo erectus? 9. Name the tools made by man during the first phase of the Old Stone Age. 11. Give two theories that try to explain the origin and development of Agriculture. 12. Give the method that was used to plant cereal crops before Agririan Revolution. 13. Give two factors that facilitated early domestication of crops in Mesopotamia. 14. Name the form of writting developed in Mesopotamia during agricultural development. 15. Identify two electronic sources of information in history and government. 16. Identify the historical period when the oral traditions was the main source of information. 17. State the main disadvantage of oral traditions as a source of information. 18. (a) Give three stages of the evolution of man before Homo Erectus. (b) Explain the culture of early man during the middle Stone Age period. 19. (a) State three ways through which archaeologists obtain information. (b) Explain six limitations of written sources. 20. (a) Identify five major changes that marked Agrarian revolution in Britain. (b) Explain five benefit of early domesticated animals. 21. (a) Give three reasons why Africa is referred to as the cradle of mankind (b) Explain five benefit of the discovery of five by early man. 22. (a) Identify five features of a government. (b) Explain five reasons for studying history. 23. (a) Give three social effects of the development of Agriculture in Mesopotamia (b) Explain five reasons for studying history. 24. (a) Identify three forms of government.		•	` /		
3. State two areas of study in anthropology. 4. Identify two branches of history. 5. Differentiate between archaeology and oral traditions. 6. Identify one prehistoric site in Kenya where remains of Kenyapithecus were found. 7. State two ways in which man used stone tools. 8. What is the meaning of the term Homo erectus? 9. Name the tools made by man during the first phase of the Old Stone Age. 11. Give two methods of irrigation used during the development of Agriculture. 12. Give the method that was used to plant cereal crops before Agriculture and the well of the method that was used to plant cereal crops before Agriculture and the well of the well of the method that was used to plant cereal crops before Agriculture and the well of the we					
4. Identify two branches of history. 5. Differentiate between archaeology and oral traditions. 6. Identify one prehistoric site in Kenya where remains of Kenyapithecus were found. 7. State two ways in which man used stone tools. 8. What is the meaning of the term Homo erectus? 9. Name the tools made by man during the first phase of the Old Stone Age. 10. State two methods of irrigation used during the development of Agriculture. 2. mks) 11. Give two theories that try to explain the origin and development of Agriculture 2. mks) 12. Give the method that was used to plant cereal crops before Agririan Revolution. 13. Give two factors that facilitated early domestication of crops in Mesopotamia. 14. Name the form of writing developed in Mesopotamia during agricultural development. 15. Identify two electronic sources of information in history and government. 16. Identify the historical period when the oral traditions was the main source of information. 17. State the main disadvantage of oral traditions as a source of information. 18. (a) Give three stages of the evolution of man before Homo Erectus. (b) Explain the culture of early man during the middle Stone Age period. 19. (a) State three ways through which archaeologists obtain information. (b) Explain six limitations of written sources. 19. (a) Identify five major changes that marked Agrarian revolution in Britain. (b) Explain five benefit of early domesticated animals. 10. (a) Give three reasons why Africa is referred to as the cradle of mankind (b) Explain five features of a government. (c) mks) 21. (a) Give three reasons for studying history. 22. (a) Identify five features of a government. (b) Explain five reasons for studying history. 23. (a) Give three social effects of the development of Agriculture in Mesopotamia (b) Explain five reasons for studying history. 24. (a) Identify three forms of government.	3	1 1	,		
5. Differentiate between archaeology and oral traditions. 6. Identify one prehistoric site in Kenya where remains of Kenyapithecus were found. 7. State two ways in which man used stone tools. 8. What is the meaning of the term Homo erectus? 9. Name the tools made by man during the first phase of the Old Stone Age. 10. State two methods of irrigation used during the development of Agriculture. 21. Give two theories that try to explain the origin and development of Agriculture 22. Gives the method that was used to plant cereal crops before Agririan Revolution. 13. Give two factors that facilitated early domestication of crops in Mesopotamia. 22. Mass) 14. Name the form of writing developed in Mesopotamia during agricultural development. 23. Identify two electronic sources of information in history and government. 24. Identify the historical period when the oral traditions was the main source of information. 25. Identify the historical period when the oral traditions was the main source of information. 26. Identify the historical period when the oral traditions was the main source of information. 27. State the main disadvantage of oral traditions as a source of information. 28. (a) Give three stages of the evolution of man before Homo Erectus. 38. (b) Explain the culture of early man during the middle Stone Age period. 39. (12 mks) 39. (a) State three ways through which archaeologists obtain information. 40. (b) Explain six limitations of written sources. 40. (a) Identify five major changes that marked Agrarian revolution in Britain. 40. (b) Explain five benefit of early domesticated animals. 41. (a) Give three reasons why Africa is referred to as the cradle of mankind 42. (a) Give three reasons why Africa is referred to as the cradle of mankind 43. (b) Explain five features of a government. 44. (a) Identify five features of a government. 45. (b) Explain five reasons for studying history. 46. (a) Identify three features of a government. 47. (b) Explain five reasons for studying history. 48. (a) Identify three form			` ,		
6. Identify one prehistoric site in Kenya where remains of Kenyapithecus were found. 7. State two ways in which man used stone tools. 8. What is the meaning of the term Homo erectus? 9. Name the tools made by man during the first phase of the Old Stone Age. 11. Give two methods of irrigation used during the development of Agriculture. 22. mks) 11. Give two theories that try to explain the origin and development of Agriculture 22. Give the method that was used to plant cereal crops before Agririan Revolution. 23. Give two factors that facilitated early domestication of crops in Mesopotamia. 24. Name the form of writing developed in Mesopotamia during agricultural development. 25. Identify two electronic sources of information in history and government. 26. Identify two electronic sources of information in history and government. 27. State the main disadvantage of oral traditions was the main source of information. 28. (a) Give three stages of the evolution of man before Homo Erectus. 38. (a) Give three stages of the evolution of man before Homo Erectus. 39. (a) State three ways through which archaeologists obtain information. 30. (b) Explain six limitations of written sources. 30. (a) Identify five major changes that marked Agrarian revolution in Britain. 39. (b) Explain five benefit of early domesticated animals. 30. (a) Give three reasons why Africa is referred to as the cradle of mankind 30. (b) Explain six benefit of the discovery of five by early man. 30. (c) Identify five features of a government. 30. (a) Identify five features of a government. 30. (b) Explain five reasons for studying history. 31. (a) Give three social effects of the development of Agriculture in Mesopotamia 42. (a) Identify three forms of government. 43. (a) Give three social effects of the development of Agriculture in Mesopotamia 43. (a) Give three social effects of the development of Agriculture in Mesopotamia 44. (a) Identify three forms of government.	5.	·	,		
8. What is the meaning of the term Homo erectus? (1 mk) 9. Name the tools made by man during the first phase of the Old Stone Age. (1 mk) 10. State two methods of irrigation used during the development of Agriculture. (2 mks) 11. Give two theories that try to explain the origin and development of Agriculture (2 mks) 12. Give the method that was used to plant cereal crops before Agririan Revolution. (1 mk) 13. Give two factors that facilitated early domestication of crops in Mesopotamia. (2 mks) 14. Name the form of writing developed in Mesopotamia during agricultural development. (1 mk) 15. Identify two electronic sources of information in history and government. (2 mks) 16. Identify the historical period when the oral traditions was the main source of information. (1 mk) 17. State the main disadvantage of oral traditions as a source of information. (1 mk) 18. (a) Give three stages of the evolution of man before Homo Erectus. (3 mks) (b) Explain the culture of early man during the middle Stone Age period. (12 mks) 19. (a) State three ways through which archaeologists obtain information. (3 mks) (b) Explain six limitations of written sources. (12 mks) 20. (a) Identify five major changes that marked Agrarian revolution in Britain. (5 mks) (b) Explain five benefit of early domesticated animals. (10 mks) 21. (a) Give three reasons why Africa is referred to as the cradle of mankind (3 mks) (b) Explain six benefit of the discovery of five by early man. (12 mks) 22. (a) Identify five features of a government. (5 mks) (b) Explain five reasons for studying history. (10 mks) 23. (a) Give three social effects of the development of Agriculture in Mesopotamia (3 mks) (b) Explain five reasons for studying history. (10 mks)	6		(1 mk)		
9. Name the tools made by man during the first phase of the Old Stone Age. (1 mk) 10. State two methods of irrigation used during the development of Agriculture. (2 mks) 11. Give two theories that try to explain the origin and development of Agriculture (2 mks) 12. Give the method that was used to plant cereal crops before Agririan Revolution. (1 mk) 13. Give two factors that facilitated early domestication of crops in Mesopotamia. (2 mks) 14. Name the form of writing developed in Mesopotamia during agricultural development. (1 mk) 15. Identify two electronic sources of information in history and government. (2 mks) 16. Identify the historical period when the oral traditions was the main source of information. (1 mk) 17. State the main disadvantage of oral traditions as a source of information. (1 mk) 18. (a) Give three stages of the evolution of man before Homo Erectus. (3 mks) (b) Explain the culture of early man during the middle Stone Age period. (12 mks) 19. (a) State three ways through which archaeologists obtain information. (3 mks) (b) Explain six limitations of written sources. (12 mks) 20. (a) Identify five major changes that marked Agrarian revolution in Britain. (5 mks) (b) Explain five benefit of early domesticated animals. (10 mks) 21. (a) Give three reasons why Africa is referred to as the cradle of mankind (3 mks) (b) Explain six benefit of the discovery of five by early man. (12 mks) 22. (a) Identify five features of a government. (5 mks) (b) Explain five reasons for studying history. (10 mks) 23. (a) Give three social effects of the development of Agriculture in Mesopotamia (3 mks) (b) Explain six ways in which food shortages affect the people in developing countries. (12 mks)	7	• • •	(2 mks)		
10. State two methods of irrigation used during the development of Agriculture. 11. Give two theories that try to explain the origin and development of Agriculture 12. Give the method that was used to plant cereal crops before Agririan Revolution. 13. Give two factors that facilitated early domestication of crops in Mesopotamia. 14. Name the form of writing developed in Mesopotamia during agricultural development. 15. Identify two electronic sources of information in history and government. 16. Identify the historical period when the oral traditions was the main source of information. 17. State the main disadvantage of oral traditions as a source of information. 18. (a) Give three stages of the evolution of man before Homo Erectus. (b) Explain the culture of early man during the middle Stone Age period. 19. (a) State three ways through which archaeologists obtain information. (b) Explain six limitations of written sources. 20. (a) Identify five major changes that marked Agrarian revolution in Britain. (b) Explain five benefit of early domesticated animals. 21. (a) Give three reasons why Africa is referred to as the cradle of mankind (b) Explain six benefit of the discovery of five by early man. 21. (a) Identify five features of a government. (c) mks) 22. (a) Identify five features of a government. (b) Explain five reasons for studying history. 22. (a) Identify five reasons for studying history. (c) mks) 23. (a) Give three social effects of the development of Agriculture in Mesopotamia (d) mks) (e) Explain six ways in which food shortages affect the people in developing countries. 24. (a) Identify three forms of government.	8	What is the meaning of the term Homo erectus?	(1 mk)		
11. Give two theories that try to explain the origin and development of Agriculture 12. Give the method that was used to plant cereal crops before Agririan Revolution. 13. Give two factors that facilitated early domestication of crops in Mesopotamia. 14. Name the form of writing developed in Mesopotamia during agricultural development. 15. Identify two electronic sources of information in history and government. 16. Identify the historical period when the oral traditions was the main source of information. 17. State the main disadvantage of oral traditions as a source of information. 18. (a) Give three stages of the evolution of man before Homo Erectus. (b) Explain the culture of early man during the middle Stone Age period. 19. (a) State three ways through which archaeologists obtain information. (b) Explain six limitations of written sources. 20. (a) Identify five major changes that marked Agrarian revolution in Britain. (b) Explain five benefit of early domesticated animals. 21. (a) Give three reasons why Africa is referred to as the cradle of mankind (b) Explain six benefit of the discovery of five by early man. 21. (a) Identify five features of a government. (b) Explain five reasons for studying history. 22. (a) Identify five features of a government. (b) Explain five reasons for studying history. 23. (a) Give three social effects of the development of Agriculture in Mesopotamia (b) Explain six ways in which food shortages affect the people in developing countries. 24. (a) Identify three forms of government. (c) mks)	9	Name the tools made by man during the first phase of the Old Stone Age.	(1 mk)		
12. Give the method that was used to plant cereal crops before Agririan Revolution. 13. Give two factors that facilitated early domestication of crops in Mesopotamia. 14. Name the form of writing developed in Mesopotamia during agricultural development. 15. Identify two electronic sources of information in history and government. (2 mks) 16. Identify the historical period when the oral traditions was the main source of information. (1 mk) 17. State the main disadvantage of oral traditions as a source of information. (1 mk) 18. (a) Give three stages of the evolution of man before Homo Erectus. (b) Explain the culture of early man during the middle Stone Age period. 19. (a) State three ways through which archaeologists obtain information. (b) Explain six limitations of written sources. (12 mks) 20. (a) Identify five major changes that marked Agrarian revolution in Britain. (b) Explain five benefit of early domesticated animals. (10 mks) 21. (a) Give three reasons why Africa is referred to as the cradle of mankind (b) Explain six benefit of the discovery of five by early man. 21. (a) Identify five features of a government. (b) Explain five reasons for studying history. (c) mks) 22. (a) Identify five reasons for studying history. (d) 0 mks) 23. (a) Give three social effects of the development of Agriculture in Mesopotamia (b) Explain six ways in which food shortages affect the people in developing countries. (3 mks) (12 mks)	1). State two methods of irrigation used during the development of Agriculture.	(2 mks)		
13. Give two factors that facilitated early domestication of crops in Mesopotamia. 14. Name the form of writing developed in Mesopotamia during agricultural development. (2 mks) 15. Identify two electronic sources of information in history and government. (2 mks) 16. Identify the historical period when the oral traditions was the main source of information. (1 mk) 17. State the main disadvantage of oral traditions as a source of information. (1 mk) 18. (a) Give three stages of the evolution of man before Homo Erectus. (3 mks) (b) Explain the culture of early man during the middle Stone Age period. (12 mks) 19. (a) State three ways through which archaeologists obtain information. (b) Explain six limitations of written sources. (12 mks) 20. (a) Identify five major changes that marked Agrarian revolution in Britain. (b) Explain five benefit of early domesticated animals. (10 mks) 21. (a) Give three reasons why Africa is referred to as the cradle of mankind (b) Explain six benefit of the discovery of five by early man. (12 mks) 22. (a) Identify five features of a government. (5 mks) (b) Explain five reasons for studying history. (5 mks) (b) Explain five reasons for studying history. (5 mks) (6 mks) (12 mks)	1	1. Give two theories that try to explain the origin and development of Agriculture	(2 mks)		
14. Name the form of writing developed in Mesopotamia during agricultural development. (1 mk) 15. Identify two electronic sources of information in history and government. (2 mks) 16. Identify the historical period when the oral traditions was the main source of information. (1 mk) 17. State the main disadvantage of oral traditions as a source of information. (1 mk) SECTION B (45MARKS) Answer any three questions in this section 18. (a) Give three stages of the evolution of man before Homo Erectus. (b) Explain the culture of early man during the middle Stone Age period. (12 mks) 19. (a) State three ways through which archaeologists obtain information. (b) Explain six limitations of written sources. (12 mks) 20. (a) Identify five major changes that marked Agrarian revolution in Britain. (b) Explain five benefit of early domesticated animals. (10 mks) 21. (a) Give three reasons why Africa is referred to as the cradle of mankind (b) Explain six benefit of the discovery of five by early man. (12 mks) SECTION C (30MARKS) Answer any two questions in this section 22. (a) Identify five features of a government. (b) Explain five reasons for studying history. (5 mks) (b) Explain five reasons for studying history. (10 mks) 23. (a) Give three social effects of the development of Agriculture in Mesopotamia (b) Explain six ways in which food shortages affect the people in developing countries. (3 mks)	1	2. Give the method that was used to plant cereal crops before Agririan Revolution.	(1 mk)		
15. Identify two electronic sources of information in history and government. 16. Identify the historical period when the oral traditions was the main source of information. 17. State the main disadvantage of oral traditions as a source of information. 18. (a) Give three stages of the evolution of man before Homo Erectus. (b) Explain the culture of early man during the middle Stone Age period. 19. (a) State three ways through which archaeologists obtain information. (b) Explain six limitations of written sources. 20. (a) Identify five major changes that marked Agrarian revolution in Britain. (b) Explain five benefit of early domesticated animals. 21. (a) Give three reasons why Africa is referred to as the cradle of mankind (b) Explain six benefit of the discovery of five by early man. SECTION C (30MARKS) Answer any two questions in this section 22. (a) Identify five features of a government. (b) Explain five reasons for studying history. (5 mks) (10 mks) 23. (a) Give three social effects of the development of Agriculture in Mesopotamia (b) Explain six ways in which food shortages affect the people in developing countries. (3 mks) (12 mks)	1	3. Give two factors that facilitated early domestication of crops in Mesopotamia.	(2 mks)		
15. Identify two electronic sources of information in history and government. 16. Identify the historical period when the oral traditions was the main source of information. 17. State the main disadvantage of oral traditions as a source of information. 18. (a) Give three stages of the evolution of man before Homo Erectus. (b) Explain the culture of early man during the middle Stone Age period. 19. (a) State three ways through which archaeologists obtain information. (b) Explain six limitations of written sources. 19. (a) Identify five major changes that marked Agrarian revolution in Britain. (b) Explain five benefit of early domesticated animals. 10. (a) Give three reasons why Africa is referred to as the cradle of mankind (b) Explain six benefit of the discovery of five by early man. 10. (a) Identify five features of a government. (c) mks) 21. (a) Identify five features of a government. (b) Explain five reasons for studying history. 22. (a) Identify five features of a government. (b) Explain six ways in which food shortages affect the people in developing countries. 23. (a) Identify three forms of government. (3 mks) (4 mks)	1	1. Name the form of writing developed in Mesopotamia during agricultural development.			
16. Identify the historical period when the oral traditions was the main source of information. (1 mk) 17. State the main disadvantage of oral traditions as a source of information. (1 mk) SECTION B (45MARKS) Answer any three questions in this section 18. (a) Give three stages of the evolution of man before Homo Erectus. (3 mks) (b) Explain the culture of early man during the middle Stone Age period. (12 mks) 19. (a) State three ways through which archaeologists obtain information. (3 mks) (b) Explain six limitations of written sources. (12 mks) 20. (a) Identify five major changes that marked Agrarian revolution in Britain. (5 mks) (b) Explain five benefit of early domesticated animals. (10 mks) 21. (a) Give three reasons why Africa is referred to as the cradle of mankind (3 mks) (b) Explain six benefit of the discovery of five by early man. (12 mks) SECTION C (30MARKS) Answer any two questions in this section 22. (a) Identify five features of a government. (5 mks) (b) Explain five reasons for studying history. (10 mks) 23. (a) Give three social effects of the development of Agriculture in Mesopotamia (3 mks) (b) Explain six ways in which food shortages affect the people in developing countries. (12 mks)			` /		
SECTION B (45MARKS) Answer any three questions in this section 18. (a) Give three stages of the evolution of man before Homo Erectus. (b) Explain the culture of early man during the middle Stone Age period. (12 mks) 19. (a) State three ways through which archaeologists obtain information. (b) Explain six limitations of written sources. (12 mks) 20. (a) Identify five major changes that marked Agrarian revolution in Britain. (5 mks) (b) Explain five benefit of early domesticated animals. (10 mks) 21. (a) Give three reasons why Africa is referred to as the cradle of mankind (b) Explain six benefit of the discovery of five by early man. (12 mks) SECTION C (30MARKS) Answer any two questions in this section 22. (a) Identify five features of a government. (b) Explain five reasons for studying history. (5 mks) (10 mks) 23. (a) Give three social effects of the development of Agriculture in Mesopotamia (b) Explain six ways in which food shortages affect the people in developing countries. (12 mks)		·			
SECTION B (45MARKS) Answer any three questions in this section 18. (a) Give three stages of the evolution of man before Homo Erectus. (b) Explain the culture of early man during the middle Stone Age period. (12 mks) 19. (a) State three ways through which archaeologists obtain information. (b) Explain six limitations of written sources. (12 mks) 20. (a) Identify five major changes that marked Agrarian revolution in Britain. (b) Explain five benefit of early domesticated animals. (10 mks) 21. (a) Give three reasons why Africa is referred to as the cradle of mankind (b) Explain six benefit of the discovery of five by early man. (12 mks) SECTION C (30MARKS) Answer any two questions in this section 22. (a) Identify five features of a government. (b) Explain five reasons for studying history. (5 mks) (10 mks) 23. (a) Give three social effects of the development of Agriculture in Mesopotamia (b) Explain six ways in which food shortages affect the people in developing countries. (12 mks)		•	,		
Answer any three questions in this section 18. (a) Give three stages of the evolution of man before Homo Erectus. (b) Explain the culture of early man during the middle Stone Age period. (12 mks) 19. (a) State three ways through which archaeologists obtain information. (b) Explain six limitations of written sources. (12 mks) 20. (a) Identify five major changes that marked Agrarian revolution in Britain. (b) Explain five benefit of early domesticated animals. (10 mks) 21. (a) Give three reasons why Africa is referred to as the cradle of mankind (b) Explain six benefit of the discovery of five by early man. (12 mks) SECTION C (30MARKS) Answer any two questions in this section 22. (a) Identify five features of a government. (b) Explain five reasons for studying history. (10 mks) 23. (a) Give three social effects of the development of Agriculture in Mesopotamia (b) Explain six ways in which food shortages affect the people in developing countries. (3 mks) (12 mks)	1	7. State the main disadvantage of oral traditions as a source of information.	(1 mk)		
(b) Explain the culture of early man during the middle Stone Age period. (12 mks) 19. (a) State three ways through which archaeologists obtain information. (3 mks) (b) Explain six limitations of written sources. (12 mks) 20. (a) Identify five major changes that marked Agrarian revolution in Britain. (5 mks) (b) Explain five benefit of early domesticated animals. (10 mks) 21. (a) Give three reasons why Africa is referred to as the cradle of mankind (3 mks) (b) Explain six benefit of the discovery of five by early man. (12 mks) SECTION C (30MARKS) Answer any two questions in this section 22. (a) Identify five features of a government. (5 mks) (b) Explain five reasons for studying history. (10 mks) 23. (a) Give three social effects of the development of Agriculture in Mesopotamia (3 mks) (b) Explain six ways in which food shortages affect the people in developing countries. (12 mks)					
19. (a) State three ways through which archaeologists obtain information. (b) Explain six limitations of written sources. (12 mks) 20. (a) Identify five major changes that marked Agrarian revolution in Britain. (b) Explain five benefit of early domesticated animals. (10 mks) 21. (a) Give three reasons why Africa is referred to as the cradle of mankind (b) Explain six benefit of the discovery of five by early man. (12 mks) SECTION C (30MARKS) Answer any two questions in this section 22. (a) Identify five features of a government. (b) Explain five reasons for studying history. (10 mks) 23. (a) Give three social effects of the development of Agriculture in Mesopotamia (b) Explain six ways in which food shortages affect the people in developing countries. (3 mks) (12 mks)	1		(3 mks)		
(b) Explain six limitations of written sources. (12 mks) 20. (a) Identify five major changes that marked Agrarian revolution in Britain. (5 mks) (b) Explain five benefit of early domesticated animals. (10 mks) 21. (a) Give three reasons why Africa is referred to as the cradle of mankind (3 mks) (b) Explain six benefit of the discovery of five by early man. (12 mks) SECTION C (30MARKS) Answer any two questions in this section 22. (a) Identify five features of a government. (5 mks) (b) Explain five reasons for studying history. (10 mks) 23. (a) Give three social effects of the development of Agriculture in Mesopotamia (3 mks) (b) Explain six ways in which food shortages affect the people in developing countries. (12 mks) 24. (a) Identify three forms of government. (3 mks)		(b) Explain the culture of early man during the middle Stone Age period.	(12 mks)		
20. (a) Identify five major changes that marked Agrarian revolution in Britain. (b) Explain five benefit of early domesticated animals. (10 mks) 21. (a) Give three reasons why Africa is referred to as the cradle of mankind (b) Explain six benefit of the discovery of five by early man. SECTION C (30MARKS) Answer any two questions in this section 22. (a) Identify five features of a government. (b) Explain five reasons for studying history. (5 mks) (10 mks) 23. (a) Give three social effects of the development of Agriculture in Mesopotamia (b) Explain six ways in which food shortages affect the people in developing countries. (12 mks)	1		` ,		
(b) Explain five benefit of early domesticated animals. (10 mks) 21. (a) Give three reasons why Africa is referred to as the cradle of mankind (3 mks) (b) Explain six benefit of the discovery of five by early man. (12 mks) SECTION C (30MARKS) Answer any two questions in this section 22. (a) Identify five features of a government. (5 mks) (b) Explain five reasons for studying history. (10 mks) 23.
